Extra Support Classes

First of all I would like to draw your attention to our maths support class. This will run on a Wednesday from 3:15—4:15 pm every week and is designed to support your child's progress through the AS maths course. This session will also be a great aid to Year 13 students resitting AS modules and we would like your help in encouraging them to attend.

There will also be a Business Studies 'drop in' session every Wednesday Period 3 from 12:35—1:50 pm. Again, the aim of this is to offer a regular slot for students to get some extra guidance with their studies.

Dear Parent/Carer

Thought I would get in touch with you to run through a few developments in our Post 16 provision in Sherwood School.

ACADEMY

Further Maths

Further Maths is now up and running on a Tuesday after school from 3:15—5:15 pm.

I would encourage students who are interested but have not attended yet to see me urgently in order to catch up with any work missed.

Study Retreat

Finally I would like to tell you about our Sherwood A-Level study retreat.

On Friday 17th December we will be taking our Year 12 students to Hagg Farm for the weekend. The weekend will be split into four sessions, three of which will be intensive revision for their January exams and the fourth will be an adventure activity, probably caving.

There will be much more information coming over the next few weeks but in a nutshell we will leave the Academy on Friday 17th December at 3:30 pm and return on Sunday 19th December at about 2:00 pm.

All food and equipment needed over the weekend will be provided and there will be no cost for the weekend. As places are limited could I please ask you to return the attached consent form as soon as possible. Thank you for taking the time to read this newsletter. Please do not hesitate to contact me at the Academy and I shall do my best to answer them.
