

Coronavirus Update 25th March 2020 – Admission Appeals

Impact of Coronavirus on SNMAT Admission Appeals

Given the situation relating to the current Coronavirus epidemic and the fast moving changes relating to Government advice on public health, the SNMAT, as an Own Admissions Authority, has taken the difficult decision to suspend its admissions appeals, for the foreseeable future, pending further guidance from the Department for Education. This decision has been taken for the protection of all parties involved in the appeal hearing.

Nottinghamshire County Council who administer SNMATs admissions appeals have confirmed they are still taking appeals from parents and logging them as normal, so if you wish to register an appeal for an SNMAT partner academy, please go to NCC's website and complete the online appeals form:-
