BUSINESS					1	
A LEVEL						
HAIR			3			
TRAVEL			2			
OTHER			1		1	

- 62% (177) of students in Y11 achieved a strong pass 4+ (A* - C) inc English & Maths. At least 106 students went on to a Level 3 course. Not all level and sector was collected for each student./ This is a development point for the future. (<https://www.compare-school-performance.service.gov.uk>)
- There is a very wide “spread” of different post 16 providers being chosen at Samworth Academy. This demonstrates a commitment to relationships with a range of post 16 providers.
- A levels are the most popular choice post-16 with 86% (99) of students continuing to study this mode. This is much higher than in other schools that CareersInc works with (typically 40-60%)

Staying in education or entering employment
