

Current Performance Indicators

Geography		
Students who <u>consistently</u> show evidence that they can:		Have a CPI of
Demonstrate relevant and comprehensive knowledge, understanding and application of geographical information and issues.	AO1	9 or 8
Demonstrate perceptive understanding of complex interactions and interrelationships between people and the environment and between geographical phenomena.	AO2	
Construct sustained and convincing arguments to draw well-evidenced conclusions.	AO3	
Use and evaluate a wide range of geographical skills and techniques effectively.	AO4	
Demonstrate a range of accurate detail and specific case study knowledge, a good understanding and application of geographical information and issues.	AO1	7 or 6
Demonstrate a good understanding of interactions and interrelationships between people and the environment and between geographical phenomena.	AO2	
Draw conclusions which have been backed with geographical theory and evidence.	AO3	
Use a wide range of skills accurately, can interpret the data and start to evaluate the methods.	AO4	
Demonstrate mostly accurate and appropriate knowledge, understanding and application of geographical information and issues.	AO1	5 or 4
Demonstrate clear understanding of interactions and interrelationships between people and the environment and between geographical phenomena.	AO2	
Construct coherent arguments to draw conclusions supported by evidence.	AO3	
Use a range of geographical skills and techniques accurately, showing understanding of their purpose.	AO4	
Demonstrate limited knowledge, understanding and application of geographical information and issues.	AO1	3 or 2
Demonstrate basic understanding of aspects of interactions and interrelationships between people and the environment and between geographical phenomena.	AO2	
Make straightforward comments with some reference to evidence.	AO3	
Use some basic geographical skills and techniques with limited accuracy.	AO4	
Demonstrate limited knowledge of places at all scales, answers have limited detail.	AO1	1
Demonstrate a limited understanding of aspects of interactions and some links can be made between people and the environment and between geographical phenomena.	AO2	

Current Performance Indicators

Can respond to a range of geographical questions based on the evidence.	AO3	
Can recognise map symbols, or construct basic graphs independently.	AO4	
Demonstrate limited knowledge of places and geographical issues.	AO1	Step 3
Link between people and the environment and between geographical phenomena with scaffolding.	AO2	
Can provide answers to simple questions based on the evidence.	AO3	
Can recognise map symbols, or construct basic graphs with scaffolding.	AO4	
Demonstrate limited knowledge of places or geographical issues.	AO1	Step 2
Link between people and the environment and between geographical phenomena with prompting.	AO2	
Can provide answers to simple questions based on the evidence with scaffolding.	AO3	
Can recognise map symbols or construct basic graphs with prompting.	AO4	
Demonstrate limited knowledge of places or geographical issues with prompting.	AO1	Step 1
Link between people and the environment and between geographical phenomena with one to one support.	AO2	
Can provide answers to simple questions based on the evidence with prompting.	AO3	
Can recognise map symbols or construct basic graphs with one to one support.	AO4
